Sir,

Ref:- Letter No 10277-80 dated 23-3-51 from the Secretary to Government Public Works Department and copy sent to you for ~~the~~ taking necessary action to recommend for the return of deposits together with Government grants

With reference to the above, I write to state ^{that} the slaughter ^{house} at present is ^a disgrace to Hassan Town since it has no doors, no flooring and the animals are slaughtered in the open field

The Sweeper's Colony has become a dream The sanitation of this town cannot be well maintained unless the number of sweepers ^{is} increased ^{and} the fresh members cannot be taken unless they are provided with shelter

So, I request you to recommend to the Honourable Public Works Department Minister to return the deposits together with the Government grant to this Municipality so that the work may be taken ^{up} through Municipal Agency Without the Government grant no work can be taken up, since only the Municipal quota is hardly sufficient for the completion of the work

I have herewith enclosed the details of deposits for your kind information

Dated the 12th April 1951.

Dear Sir,

Sub:- Refund of amount deposited by the Municipality
with Public Works Department for the several
Municipal Works.

With regard to the above, I wish to bring to your kind notice that even though, you promised the Members of the Deputation, who interviewed you on 10-2-51, during your visit to Hassan, and at my request you phoned to the Chief Engineer on 16-3-1951 to refund the deposits together with the Government Grant, so that the work might be taken up by Municipal Agency, till today Public Works Department has not made any arrangements to refund the amounts. On the other hand, the Secretary Public Works Department has written to the Executive Engineer, Hassan to refund only the Municipal Quota deposited for the construction of the Slaughter house. The Municipal quota in this regard is only Rs. 400/- and the Government Quota is Rs. 5000/-. This amount (Rs. 5400/-) is lying with the Executive Engineer, Hassan. How is it possible to construct a Slaughter house by spending only Rs. 400/- ? Considering this aspect you were kind enough to instruct your Department to refund the whole amount to the Municipality. Yet the Department is making unnecessary delay in the matter. I request you Once again to order that the Deposits may be refunded together with Government grant, so that the work may be pushed through by Municipal Agency.

I like to draw your kind attention to the Memorandum submitted to you, on behalf of the Municipal Council and the Citizens of Hassan Town. (A.L.C. 30-50 dated the 8th Febr 1951 in this regard.

P. T. O.

I hope all the items of deposits mentioned in the Memorandum will be ordered to be refunded together with the Government Grant immediately.
